THURSDAY, MARCH 14, 2013

Cameron's going green!

Join Honorary Co-Chair Antonio Romanucci and The Friends of Cameron for a night of fun and heart-felt giving to help kids with developmental disabilities, especially Hydrocephalus.

This year, your tax-deductible donations will provide care for Declan Keddy, whose Irish heritage is inspiring our entire event. You'll also be supporting the Lurie Children's Hospital of Chicago Patient Emergency Fund, as well as the Pediatric Hydrocephalus Foundation.

So come. Raise a glass. Raise some money.

And get your Irish on.
