

ABOUT

CAMERON CAN

Cameron Can began in 2011, inspired by a very special boy, Cameron Dominick. Through our Friends of Cameron program, your generous support tonight will fund quality of life grants to Illinois families that care for children with on-going medical conditions, especially Hydrocephalus.

Tune into 101.9 FM The Mix's 36 Hour Radiothon on September 6th, as a portion of the funds raised at Cameron Rocks On 2013 will be presented to Lurie Children's Hospital!
